The Honorable Judge Bianco:

I submitted my 28 USC 2255 on July 2, 2019 and was made aware that it was docketed on July 3, 2019. I had attempted to submit it a long time ago, but was met with resistance from my former attorney. Then, the complete final draft and contents disappeared with many of the work-product and discovery items when my external hard drive was "taken" by someone at MDC and never returned.

Nevertheless, I am inquiring as to when motion schedule will begin for the 2255 with the government? I do not need to be present in court for a hearing to determine the dates for the government response and my ultimate rebuttal. I can have my paralegal notify of the pending dates once Your Honor sets them.

Thank you for your attention. I am sure it was merely overlooked, and as such, I wanted to bring it to the Court's attention after a few weeks.

I remain, respectfully yours,

Phil Kenner
